SPECIES & TECHNIQUES

The Trout of Patagonia

Recommended species and techniques.

Rainbow Trout

Famous for its strength and spectacular jumps. Ideal for those seeking action in fast and clear waters.

Brown Trout

The queen of Patagonia. Powerful, unpredictable and one of the greatest challenges for any fly angler.

Brook Trout

The most exclusive species in Patagonia. Inhabits small crystal-clear streams and rewards patient anglers with a unique experience.

RECOMMENDED TECHNIQUES

- Dry flies
- Nymphs
- Streamers
- Terrestrials
- Reading the water
- Precise presentations

— • *Memorable catches in the pristine environments of Patagonia.* • —

GASTRONOMY

Authentic Flavors *of Patagonia*

Regional products, traditional recipes
and an experience that delights all the senses.

Daily Menu

Designed by our chef
with fresh regional
products: Patagonian
lamb, seasonal pastas
and artisan desserts.

Full Service

From breakfast to
lunch by the river.
Nothing interrupts
your day of fly fishing.

Bar

The best drinks and a
selection of Argentinian
wines to round off
the day with a
golden toast.
